

MARKET DISTRICT MULTI-PURPOSE STORMWATER PROJECT

PARK PROGRAMMING

Community Engagement #3
15-17 December 2020

Maclay Hammock

MARKET DISTRICT PARK
existing site

city electric
substation

market district

Earth

1000 ft

RECAP

august + october meetings

OVERALL

**Multi-use,
flexible space**

Stormwater upgrade Green space
Passive rather than active

More natural area,
less developed

SPECIFIC

Splashpad *bigger than Cascades*

Dog park, fenced

Playground *inclusive
of varied ages and skills*

Outdoor movies

Pickleball

STRUCTURES

Restrooms

Pavilion *for farmers market
& general community use*

Shade canopies

BIKE / SKATE

Ample room for bikes, skate, walking

Bike skills

Bike skills noise comparable to other activities

Bike path, not a bike park

Skate park or skateable features

Add skate features to bike skills

Bike skills here takes pressure off Tom Brown

VEGETATION

Native plants

Constructed wetlands @ both ponds

Shade trees

Fruit & nut trees

Trees as buffer to residential

CONNECTIVITY

**Multi-use
walking trails**

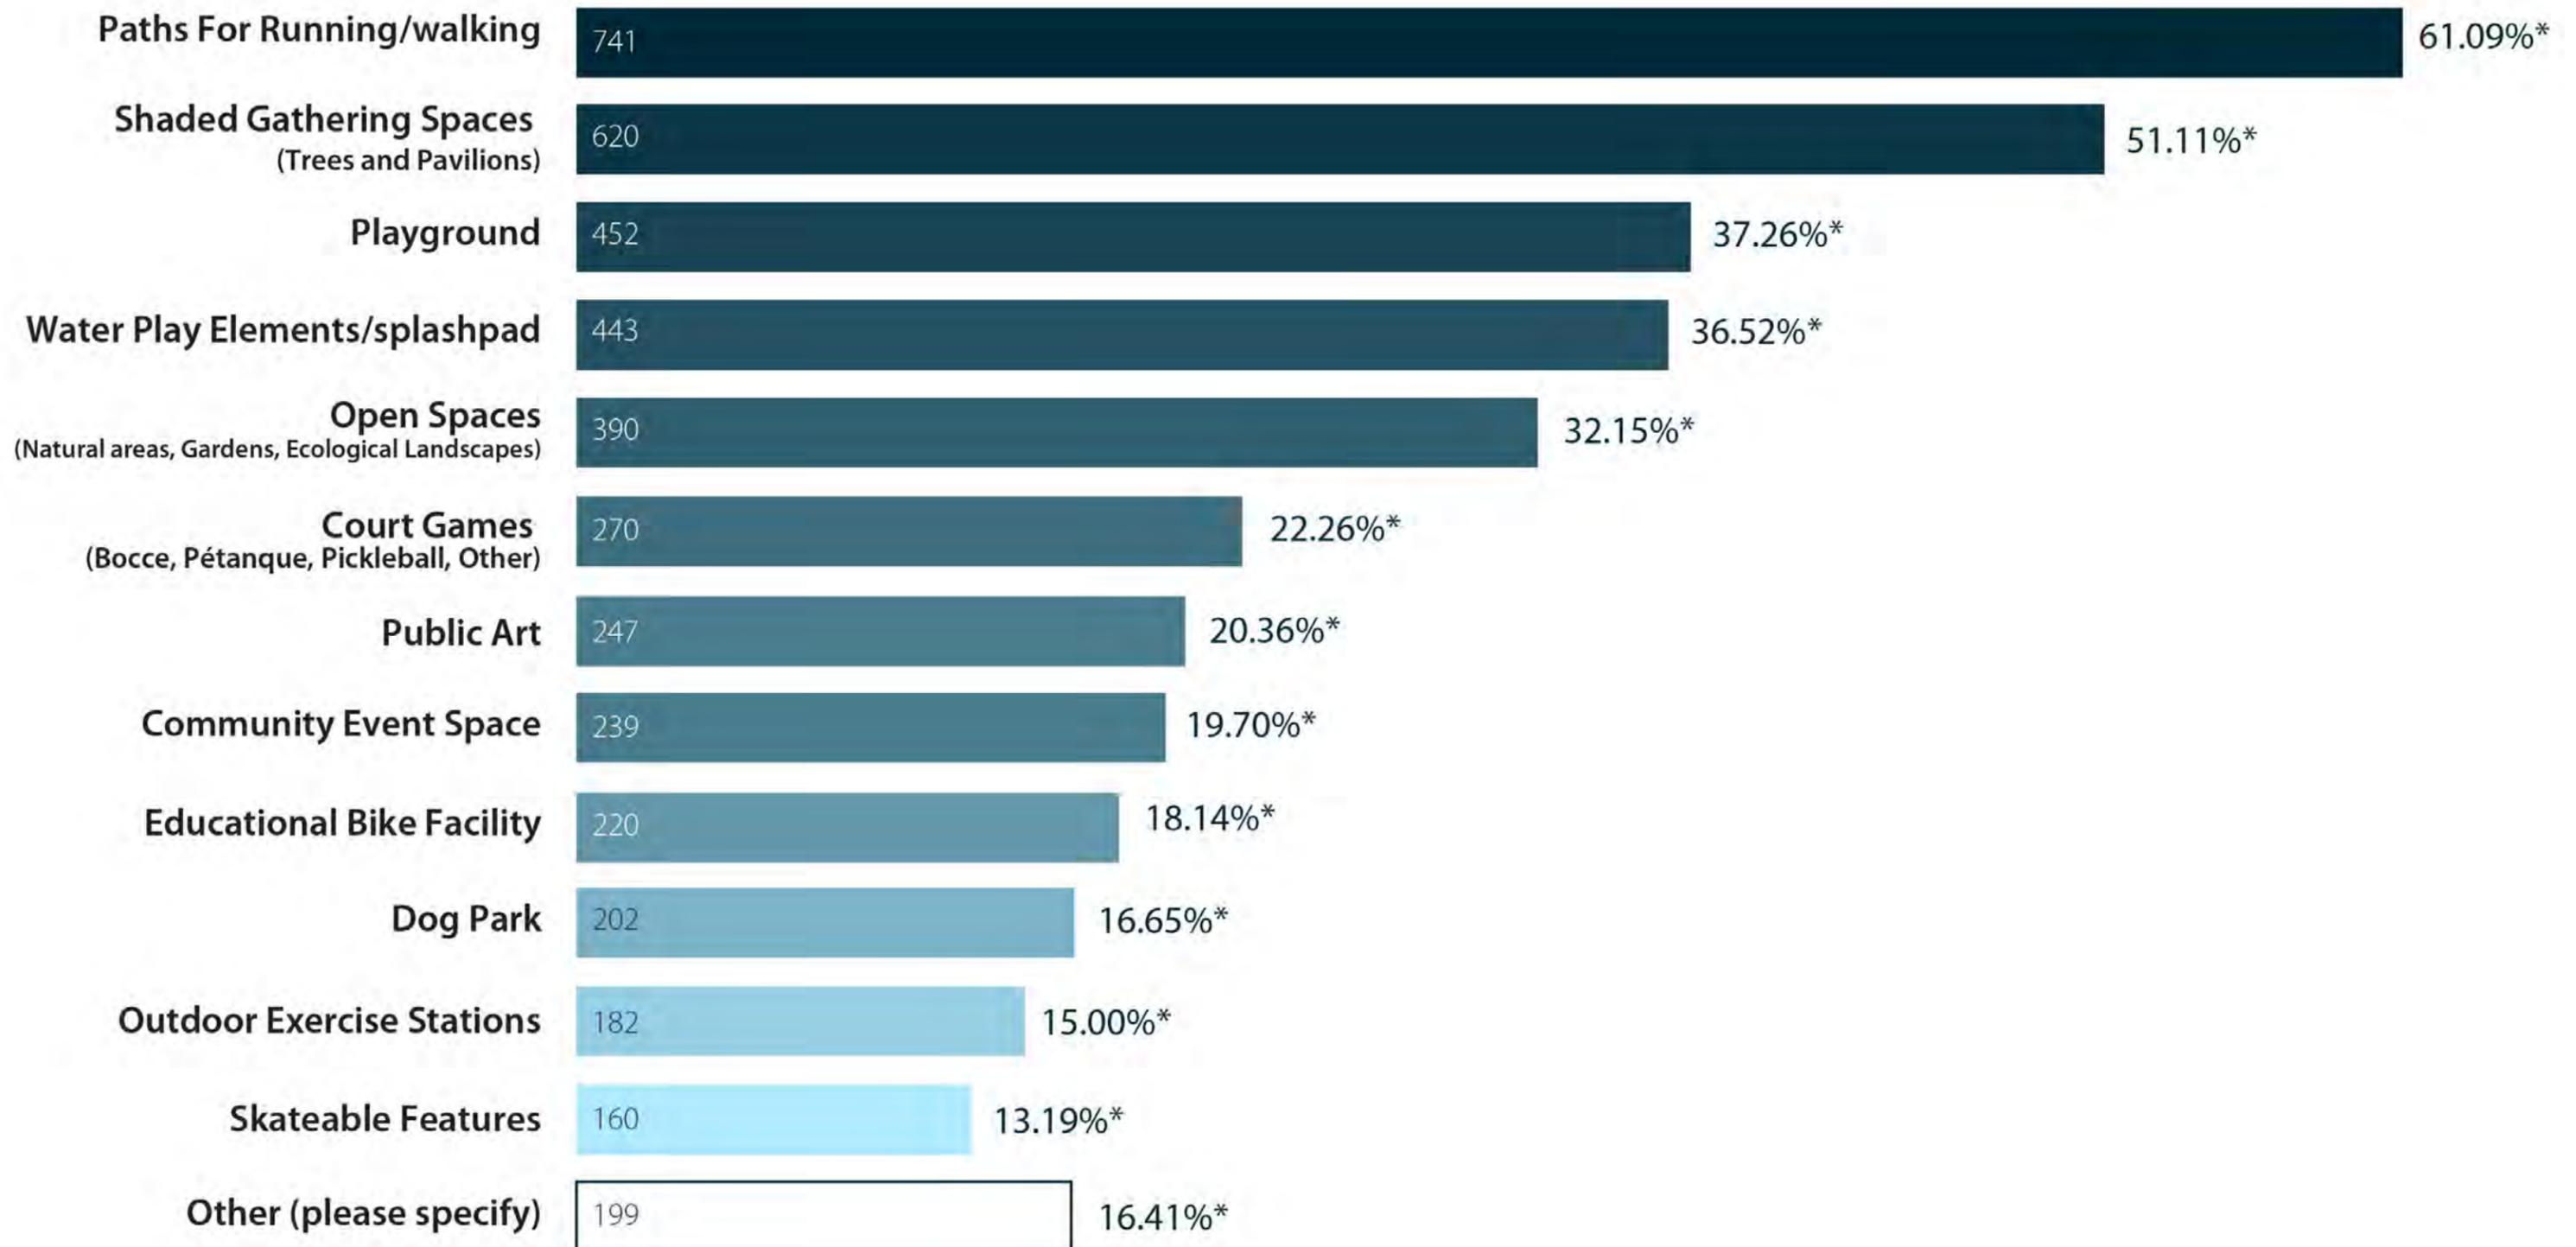

Road improvements
to ease traffic

Connections to adjacent
neighborhoods

Footbridge

Q10: What are three elements of a park you would like to see at Market District Park? *(check 3 options)*

1,213 responses *Reflects percentage of respondents who selected this answer. Respondents were permitted multiple answers.

Q11: What one word or phrase best describes what the Market District Park should be or feel like?

1,037 responses
